

Self-Driven ETH Zürich

Am 23. Januar erobern tausende Quietscheentchen das Hauptgebäude!

Are you interested in autonomous vehicles?
Would you like to work on them?

Join us for an afternoon about vehicle autonomy!

Main feature: the **demos from the Autonomous Mobility on Demand: from car to fleet (AMOD) class** using the Duckietown platform!

- 12 projects
- 45 Duckiebots
- two go-karts
- thousands of duckies

Tuesday, January 23rd
